

UNC Cancer Survivorship Cohort – Publication Checklist

Investigator Name:

Project Title:

- Include at least one UNC Cancer Survivorship Cohort co-author** (Faculty Director, Project Manager, or Data Manager) to review the accuracy of the cohort description and data availability for publication.
- Please cite the following** in your publication:
The authors thank the UNC Cancer Survivorship Cohort participants for their important contributions. The Cancer Survivorship Cohort is funded in part by the UNC Lineberger Comprehensive Cancer Center's University Cancer Research Fund. The design and conduct of the UNC Cancer Survivorship Cohort was reviewed and was approved by the Institutional Review Board (IRB #09-0605) at the University of North Carolina at Chapel Hill.
- For studies involving blood products:** Please use the following statement in the acknowledgments: The authors would like to acknowledge the UNC BioSpecimen Processing Facility for DNA extraction, blood processing, storage and sample disbursement.
- For studies involving tissue specimens:** Please use the following statement in the acknowledgments: The authors would like to acknowledge the UNC Tissue Procurement Facility for procurement, processing, storage and distribution of snap frozen and formalin-fixed paraffin embedded tissue.
- Cell Suppression Policy:** A cell value cannot be reported if its value is 1 to 10 or it allows a value of 1 to 10 to be derived from other reported cells or information.
- Notify** us of all submissions to journals and/or scientific meetings. Please provide the submission date, meeting name, location, and journal titles in addition to the final submitted draft of the abstract or manuscript.
- Report the submission status** of your publication or abstract (accepted/not accepted/published/presented) and send final citations for published journal articles.
